

## WINES FROM THE ROGUE VALLEY

# Made by people, not algorithms.

Resistance Wine Company is a small-lot winery in downtown Ashland, Oregon - five minutes from the Oregon Shakespeare Festival. We take our wine seriously. Ourselves, not so much.

### WHO WE ARE

Founded by Kimberly and Kirk Drake, Resistance pours five Rogue Valley varietals from named vineyard partners. Low intervention, no additives, picked on flavor. Kim re-trained at UC Davis and opened the Pioneer Street tasting room in 2024.

Two wines took top honors at the 2023 Oregon Wine Experience. The wine club runs three tiers - Introvert, Ambivert, Extrovert - because not every drinker wants the same volume of mail.
